Lake Sakakawea State Park Hosts Wheelchair Hunt

Wheelchair-bound hunters will take to the field at Lake Sakakawea State Park November 18-19 for the park's fifth annual Wheelchair Hunt. The majority of the park will be closed for the weekend, including the campgrounds, which will be closed to all users from November 17-19. Park staff will be in the office during the weekend to answer any questions.

The hunt, held the second weekend of the deer gun season, is open to people permanently confined to a wheelchair. Due to the nature of the hunt and preparations to set up blinds to meet the individual needs of each hunter, those wishing to participate must contact the park prior to October 1st. Limited space is available, call the park for details.

Lake Sakakawea State Park is located just north of Pick City. For additional information, call the park manager, John Tunge, at 701-487-3315
